# ANNUAL REPORTS 1970

## FITZWILLIAM N. H.

## THE COVER

The cover on this year's Town Report is more than a familiar scene that we pass so frequently

It is recorded in the Town History that one of the most famous of the Town's earliest settlers General James Reed built and lived in a log cabin near where the Soldier's Monument now stands at the north end of the common. The monument in the foreground was erected and dedicated in 1924 to the memory of General Reed. During the dedication ceremony several addresses were given by prominent citizens reminding their listeners of the prominent part General Reed had in the Revolutionary War and the development of Fitzwilliam. That it was on this site he drilled four companies of volunteers whom he led at the battle of Bunker Hill. The medallion at the top of the bronze plaque is copied from a device which was on one side of the flag carried by General Reed during the battle and represents Mount Monadnock with a star overhead. There are fir trees with a stone wall in the foreground and underneath is a banner proclaiming "New Hampshire Strikes for Liberty."

## In Memoriam

EDITH W. WEST 1874 - 1971
------------------------------

Mr. and Mrs. Howard M. West, seeking a quiet place for their retirement settled in Fitzwilliam in 1932. Mr. West served the town as selectman from 1942 until his death in 1961. During these years Mrs. West took an intense interest in the history of the town, its people, houses, schools, churches, events and organizations. The many pages of typed material and other memorabilia prepared and collected attest to her dedicated effort to preserve for future generations a record of their heritage and will serve as a lasting testimonial of her love for Fitzwilliam.

THE STATE OF NEW HAMPSHIRE  
TOWN WARRANT

---

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall, in said Fitzwilliam, on Tuesday, the 9th day of March next, at seven o'clock (7:00 p.m.) in the afternoon to act on the following subjects:

ARTICLE 1: To bring in your votes for the election of one selectman, a town treasurer, town clerk, tax collector, trustee of trust funds, trustee of the library, cemetery commissioner, and two (2) members of the budget committee for three (3) years, three firewards, three commissioners of Plante Memorial Park, town hall agent, constable and prosecuting officer for one (1) year.

Polls will be open not later than 2:00 o'clock p.m. and close not earlier than 7:00 o'clock p.m., or such later time as shall be authorized by vote of the Town.

ARTICLE 2: To hear and act upon reports of agents, auditors and committees heretofore chosen.

ARTICLE 3: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Capital Reserve Fund created at the 1969 town meeting for the purpose of purchasing equipment for the Fire Department.

ARTICLE 5: To see if the Town will vote to authorize the Board of Selectmen to contract with the James. W. Sewall Co. to prepare a property map of all the properties of the Town at a cost not to exceed \$19,000.00 and to raise and appropriate \$9,500.00 this year, the balance not to exceed \$9,500.00 to be paid in two installments in the year 1972 as specified in the contract.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$1,600.00 to be expended by the Fitzwilliam District Nursing Association, Inc., for the purpose of providing district nursing services for Fitzwilliam.

ARTICLE 7: To see if the Town will raise and appropriate the sum of \$700.00 to improve the road from the Rhododendron State Park to the Old Troy Road or take any action thereon.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$300. to improve the so-called Jock Page road from the Scott Pond Road to the southeast corner of the John Aldsworth property and discontinue the remainder of the road from the above mentioned point easterly to the Jaffrey Town Line, subject to gates and bars, or take any action thereon.

ARTICLE 9: To see if the Town will raise and appropriate the sum of \$20,000.00 to replace the Adams Grader presently owned, which shall be offered in trade or sold, such purchase to be financed by appropriating \$10,000.00 from 1970 surplus and raising \$10,000.00 this year, such total sum to be expended by a

committee of the Selectmen, Chairman of the Budget Committee and the Highway Agent.

ARTICLE 10: To see if the Town will authorize the Board of Selectmen to contract for a hospital and life insurance program for its full-time highway employees.

ARTICLE 11: To see if the Town will raise and appropriate the sum of \$500.00 to provide a more suitable site or develop suitable plans for the better disposal of household trash, rubbish and other waste.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to reconstruct or replace the bridge near the residence of Stillman S. Stone or take any action thereon.

ARTICLE 13: (BY PETITION) Proposed that the town of Fitzwilliam donate the sum of \$200.00 to the Monadnock Region Humane Society, which services the Community of Fitzwilliam in many ways and is supported almost entirely by donation.

ARTICLE 14: To see if the Town will vote to establish a capital reserve fund utilizing the \$5,000.00 voted at the 1970 town meeting also \$5,000.00 from the 1971 budget for the purpose of acquisition and development of future beach and recreational facilities at Laurel Lake. Said funds to be expended within the discretion of the recreation commission for the above purposes.

ARTICLE 15: To see if the Town will vote to accept any donations of land and/or monies for the purpose of acquisition and development of future beach and recreational facilities at Laurel Lake.

ARTICLE 16: To see if the Town will vote to authorize the Board of Selectmen to call a special town meeting prior to December 1, 1971 and as soon as the recreation commission has accurate financial figures on the cost to the town for the purpose of acquiring and developing a beach and recreational area at Laurel Lake.

ARTICLE 17: (By Petition) To see if the Town will vote to extend the Historic District of Fitzwilliam to include the area west of the present district as shown on a map dated March 1971 as approved by the Historic Commission.

ARTICLE 18: To see if the Town will vote to relinquish whatever highway rights it may have in that portion of Highway #75 which lies between a point 200' west of the west boundary of the land of C. Boyd Allen, formerly of George O. Dunton, thence westerly past the Webber homestead and thence northerly to a point where it joins the road leading from Fitzwilliam to the Templeton Road.

ARTICLE 19: To see if the Town will raise and appropriate the sum of \$666.00 in support of the operational cost of Elliot Community Hospital for the year 1971.

ARTICLE 20: To see if the Town will vote to adopt the following schedule of prices for the sale of lots in the Pine Grove Cemetery:

For Residents: The cost to a resident who has lived in the Town for a period of one year immediately preceding the date of payment shall be \$120.00 for a 10' x 10' lot.  
\$100.00 of this amount to be transferred to the

Trustees of Trust Funds to establish a trust fund for perpetual care of the lot. \$20.00 to be added to the Pine Grove Cemetery Special Account.

For non-residents: The cost to a non-resident for a 10' x 10' lot shall be \$300.00. \$100.00 of this amount to be transferred to the Trustees of Trust Funds to establish a trust fund for perpetual care of the lot. \$200.00 to be added to the Pine Grove Cemetery Special Account.

A cost of \$2.00 to be made for the cost of the deed and recording. Passage of this article shall rescind all previous votes pertaining to the sale of lots in the Pine Grove Cemetery.

ARTICLE 21: To see whether the Town will vote to raise and appropriate the sum of \$408.00 to support the Monadnock Family and Mental Health Service for the year 1971.

ARTICLE 22: To see if the Town will vote to create a street lighting survey committee of three (3) members whose duty it shall be to consult with the Public Service Co. of N.H. and approve the replacement, installation or discontinuance of certain street lights as recommended by the Company, or take any action thereon.

ARTICLE 23: To see if the Town will vote to have the Selectmen appoint a committee of seven members to investigate the possibility of building a new Fire Station. A report and recommendation of this committee to be presented at the next Town meeting. The committee to consist of the three firewards, chairman of the Board of Selectmen, and three members at large. OR take any action thereon.

ARTICLE 24: To hear the report of the Budget Committee and pass any vote in relation thereto.

ARTICLE 25: To see if the Town will vote to authorize the Board of Selectmen to quit claim to the Monadnock Regional School District all rights and title it may have to the lot of land known as the "old tool house site" located on the south side of the Rhododendron Road and abutting the Emerson School land. The building now on the site to be sold by competitive bids or disposed of by such other means as the Selectmen shall determine.

ARTICLE 26: To see if the Town will vote to create a Road and Street Sign Committee of 3 members, to cooperate with the Highway Department in the erection of suitable signs so that all regularly maintained town roads and streets will be properly identified, or take any action thereon.

Given under our hands and seal this 22nd day of February, in the year of our Lord Nineteen hundred and seventy-one.

ARTICLE #19 - Re: Gates and bars at primitive roads - Article PASSED

ARTICLE #20, 21 & 22 - voted on the ballot forms.

Meeting formally adjourned at 1:40 AM after votes had been counted and elected and appointed officers had been sworn in as prescribed by law.

Respectfully submitted,

Webb H. Sherman, TOWN CLERK

SELECTMEN'S REPORT

The Board of Selectmen is pleased to present the following report for 1970, a year in which several regulations were adopted that will have a long-range effect on the development of the town. The setting up of an Historic District to provide a way to preserve the historic and colonial atmosphere of the town and the adoption of subdivision regulations mark an important step in the orderly development of the town.

The cooperation of land and property owners with the regulating committees will greatly facilitate the successful operation of these important rules and regulations.

Article 5 has been inserted in the warrant to afford the voters the opportunity to act on another most important matter regarding the basic layout of the town. Those who are familiar with the Town History know that in the original plan of the town, each of the 250 lots was supposed to contain 100 acres with the exception of the narrow 12th tier of lots. In 1845, 42 of these lots were set off to form a part of the town of Troy. The remaining 216 lots have been sold, resold and many of them subdivided to such an extent that the town records now show over 1100 property owners. How much acreage was lost in the process is unknown and can only be determined in a practical way by a survey using the technique of aerial photography. Until 1966 assessments were made on the basis of a lot or a Home-place without much regard to the character of the land or its potential use and development. The proposed legislation on "open space" would seem to make it imperative that a more accurate inventory of all land be made. The most practical way to re-map the town is by aerial survey.

The James W. Sewall Company completed a survey for the town of Dublin in 1968 and is currently about to finish the town of Rindge. As we have a common boundary with Rindge, it would seem logical that this firm should be considered to prepare a map for Fitzwilliam.

Index cards are prepared for each parcel showing the location on the master map. The page and volume information of the recording of the deed to the property is also noted on the card together with the characteristics of the land. Copies of the aerial survey will be available for a small fee and should be a valuable aid if the property is to be sold or sub-divided.

At first glance it may seem to some that the cost is high or that the need does not warrant the expense. However, based on the experience of other towns, the cost is recovered in a relatively short time through revenue received from untaxed lands. The benefits to future generations cannot be estimated. The Board of Selectmen believe this undertaking to be of utmost importance and earnestly hope the article will receive the favorable consideration of the voters.

As mentioned in the Selectmen's report last year, it was the intention of the Board to employ the services of an accounting firm to prepare the property inventory tax warrant and mail out the bills. On further investigation it was decided to continue to use the present system because a substantial part of the cost of having the work done by an outside firm is in the charges made for the many changes which take place each year.

It will be remembered that it was voted last year to paint the outside of the library building and install a backwater strip on the edge of the north and south sides of the Town Hall roof. The painting of the library was accomplished under the direction of the Library Trustees. A backwater strip of .032 aluminum was installed on the main roof and vestibule of the Town Hall. The addition of "snow hooks" could well be considered for the north side of the main and vestibule sections of the roof to prevent the possibility of falling ice and snow causing injury to anyone using the walk close to the building.

Articles 17 and 18 in last year's warrant authorized certain changes in the Highway Department's equipment. While considering the exchange of the loader for a new unit, it was learned that it might be possible to purchase a new truck chassis through the state purchasing agent for a most reasonable price. It was found that for the price of a snow plow and wing attachment for the new loader it would be possible to have a new truck and sander. Through the cooperation and ability of the Highway personnel and by using the body and sub-frame from the '61 Chevrolet truck this was accomplished. The service which the Highway Department was able to render this past winter attests to the value of this decision.

A close inspection of the old Adams grader indicated that if a source of supply of the necessary parts could be found it might be possible to repair the unit for limited service. However, it is the opinion of the Board of Selectmen and Highway Agent that further repairs, which will be both extensive and expensive, are not warranted. The Selectmen recommend that favorable action be taken on Article 9.

Recent legislation enacted by the New Hampshire Legislature makes it mandatory that all town bridges be inspected every two years. The Selectmen requested the assistance of the N.H. Highway Department in making this survey, and inspection. Details of the condition of bridges together with the recommendations for the improvement have been studied and Article 12 has been placed in the Warrant for the consideration of the voters to start a bridge improvement program.

The Highway Department has done a commendable job in maintaining the Town Dump and most of the townspeople have cooperated in its use. However, the statement made in the Selectmen's report in 1967 must be repeated - "It is our opinion that the location of the present dump should be changed. The most obvious and compelling reason for relocation of the dump is that the Town is in the position of maintaining a traffic hazard. The fact that our citizens have to turn out of, and into 50-60 m.p.h. traffic, plus the added peril of smoke and papers blowing across such a heavily-traveled highway, makes a continuation at the present location unjustifiable." Those who are concerned about the safety of travel on Route 12 would be well advised to take this admonition seriously. Article 11 has been placed in the warrant this year for the future consideration of the matter.

The board of selectmen appreciate the cooperation of the other Town Officers and the time others have spent in attending the many meetings necessary to carry on the affairs of our Town.

Respectfully submitted,  
Howard C. Holman  
William H. Davis Sr.  
John R. Damon  
SELECTMEN OF FITZWILLIAM

STATE OF NEW HAMPSHIRE  
TAX COMMISSION  
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen  
Fitzwilliam, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1970, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village Precinct Summer Recreation Program and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets-December 31, 1969-December 31, 1970:  
Exhibit A-1

Comparative balance sheets, as of December 31, 1969 and December 31, 1970, are presented in Exhibit A-1. As indicated therein, the Surplus increased by \$2,358.77 in 1970, from \$32,815.75 to \$35,174.52. Inasmuch as there were no outstanding long term notes or bonds on December 31, 1970, the Balance Sheet surplus of \$35,174.52 also represented the Current Surplus (excess of total assets over current liabilities) on that date.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

<u>Increases in Surplus:</u>		
Net Budget Surplus	\$21,392.40	
Tax Collector's Excess Credits (Net)	<u>966.37</u>	
		\$22,358.77
<u>Decrease in Surplus:</u>		
Surplus used to Reduce Tax Rate		20,000.00
Net Increase in Surplus		<u>\$ 2,358.77</u>

### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1970, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$13,341.59, plus a revenue surplus of \$8,050.81, resulted in a net budget surplus of \$21,392.40.

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1970, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1970, as indicated in Exhibit B-2.

## AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

## GENERAL COMMENTS

### Uncollected Taxes

As of December 31, 1970, delinquent property, poll, yield and head taxes amounting to \$1,066.84 on account of the levies of 1968 and prior years remained outstanding on the Tax Collector's warrants.

The list of uncollected taxes should be reviewed and where required, abatements should be issued by the Selectmen. The Tax Collector should take the necessary steps required to enforce collection of the remainder of these delinquent taxes.

### Unredeemed Taxes;

As indicated in Exhibit C-2, there were, as of December 31, 1970, unredeemed taxes from the tax sales of the levies of 1967 and prior years as follows:

Levy of:	Amount
<u>1967</u>	\$ <u>1,881.61</u>
1966	2,070.43
1965	395.45
1964	261.43
1963	101.06

1962	118.92
1961	37.45
1960	7.03
1959	6.90
1956	30.50
	<u>\$4,910.78</u>

Inasmuch as the statutory two-year period for redemption from tax sales has expired on these unredeemed taxes, the Tax Collector should deed all of the properties involved to the Town.

Disposition of Motor Vehicle Fees by Town Clerk:

Attention of the Town Clerk is directed to the provisions of R.S.A. 260:31 which require that motor vehicle permit fees collected by the Town Clerk be deposited in the town treasury on or before the 10th day of the following month. Failure to deposit shall be cause for immediate removal from office.

The records disclose that motor vehicle fees collected during the months of January, February and March 1970 were not deposited until May 10, 1970; fees collected during the months of May and June were deposited on July 29, 1970.

Conclusion;

The provisions of Chapter 184 of the Laws of 1955 require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Very truly yours,

s/Frederick E. Laplante, director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Fitzwilliam for the fiscal year ended December 31, 1970.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necesary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly in financial position of the Town of Fitzwilliam at December 31, 1970, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Frederick E. LaPlante, Director  
DIVISION OF MUNICIPAL ACCOUNTING STATE TAX

## REPORT OF THE ROAD AGENT

Regular maintenance was done, cleaning ditches, grading and graveling, drilling and blasting stones. A total of 368 feet of culvert pipe was replaced and culverts were cleaned and flushed. Work was done on T.R.A., grading, and loading trucks.

## OILING

Approximately 400 tons of cold patch were made and bumps were cut off and patched on various roads, some sections of bad road were repaired with home-made patch. A farmer's mix was put on the new road over Kemp Brook on Royalston Road. Approximately 5-3/4 miles of road were oiled. A shortage of oil occurred, however we were fortunate to receive the amount ordered. An increase in price of oil by 1/3 is expected in 1971.

## DUMP

Work was done at the dump drawing fill and putting into a more respectable condition. It would be a great help if everyone would dump their rubbish over the edge of the embankment.

## EQUIPMENT

## IN MEMORY OF

DONALD HOLBROOK

C. Sc. H.M.I. Fire E.

In the fall of 1970 Chief Donald Holbrook answered his last alarm. On September 12, 1970 a Memorial Service was held at The Meadowood Assembly hall to honor the founder and chief of the Meadowood County Area Fire Department. The Fire Wards of Fitzwilliam wish to dedicate this page in his memory, as the Meadowood County Area Fire Department has served our town without cost since October 11, 1953. Without Chief Holbrooks foresight the fire service in Fitzwilliam would not be as advanced as it is.

---

FITZWILLIAM FIRE WARDS REPORT  
for 1970

---

The year 1970 was a very beneficial year to your Fire Department. Again we were able to turn money back to the Town. This is because of the faithful service of the Fitzwilliam Firefighter's donations to the Town. The Firefighters donated \$3,464.62 to the Fire Department for equipment, clothing, radios, home monitors, and miscellaneous items. This relieves the pressure of the Town doing so.

In addition the men donated \$2,572.00 to various organizations in the Town that asked for financial help in sponsoring activities in the Town.

For these monies, we as Fire Wards, express our sincere thanks for their help.

In the Town Warrant we have placed an article to form a study committee of five people to investigate the building needs of the Fire Department. At the present time our Depot Fire Station is in need of many repairs. The weight of the new trucks is causing the floor to split open. Also, the doors need replacing in the back area. The station is now becoming obsolete in storing our equipment. Even more important is the use of the hall at the station. At the present time the hall is used free of charge. This will have to be modernized to accommodate the public. The toilet is still an outhouse and the drinking water is not fit for drinking or making coffee. All drinking water must be brought to the station.

This committee, if approved by the Town, will bring into the 1972 Town Meeting the following:

1. A full report on the needs of the Fire Department for the next 15 years.
2. To bring in a study of building needs for the town.
3. Prepare a plan of action in implementing their recommendations with estimated costs.

The Capital Reserve article is placed in the Warrant again this year. This is to earmark \$3000 of the Town's Reserve Funds in the budget for the replacement of fire engines.

As usual we wish to thank our radio dispatchers for their continued use of their homes in providing free radio coverage of the Town. This would include:

Mr. & Mrs. Edward Grant  
Mr. & Mrs. Robert Dunton  
Mr. & Mrs. Winston Wright

Respectfully submitted,

Edwin O. Mattson, Jr., Chief  
Winston A. Wright, Chief M.C.A.F.D.  
Carl Baldwin, Forest Fire Warden

Fire Wards of Fitzwilliam, N.H.

---

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

---

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children, and smokers.

The elimination of these three causes of forest fires would drastically change this picture to bring about this change we make the following suggestions :

1. When the ground is not covered with snow, a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning (even if in an incinerator), grass burning as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or Industrial burning is permissible at any time under normal conditions, but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children. Keep matches out of reach of children. This action will help to prevent fires and may save a life - the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out - dead out. Smokey says, "Thanks for your help", and invites you to join him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State	484 fires	244 acres
District	33 fires	32 acres
Town	4	1/2

Carl E. Baldwin, Forest Fire Warden

R. Burns, District Fire Chief

## FIRE CALLS FOR 1970

1/17/70	Roland Curtis, Royalston Road, stove fire	Minor damage
2/7/70	Lloyd Holman, Fitzwilliam Depot, Garage	Total loss

11/18/70	Mutual Aid to Winchendon, Mass.	
12/16/70	Browns, Rt. 119 chimney fire	
12/21/70	Harry LaFrannier West Lake Rd., chimney fire	slight damage
12/30/70	Car accident, Royalston Road	

CIVIL DEFENSE REPORT  
for 1970

The Civil Defense organization of Fitzwilliam is under a re-organization program. At the present time, volunteers to fill many vacant positions. If anyone would like to work in Civil Defense please contact the director.

The budget funds were spent on small government items which are surplus and are usually the type which can be used right-away.

We have placed on file in the Central Office, a request for a large generator for the Town Hall and a surplus truck. If these items become available then funds must be spent on them. In view of this, I have asked for an increase in the Civil Defense funds.

For general information: As you may know, the Town of Fitzwilliam does not have a public Fall-Out Shelter. The people of Fitzwilliam have been assigned to the Troy Mills area in case of need.

Respectfully submitted,

W. A. Wright, Director

REPORT OF FITZWILLIAM POLICE DEPARTMENT FOR  
Year Ending December 31, 1970

This Department requests the citizens of this town to report all things of a suspicious nature to this Department for evaluation. If a strange motor vehicle is noticed, try to obtain the registration number first and then a general description of the vehicle. If a suspicious person is observed, try to determine sex, physical description and clothing worn.

When leaving your home, secure your doors and windows. If going away for a period of time, notify this Department and we can check your home during this period.

Any information of crimes committed in our Town will be held in strict confidence. This is our Town and it is time some of us forgot about the feeling "we do not want to get involved." Let us all work together and get involved for the betterment of all.

As you read of the activities listed below you will notice some categories bearing asterisks, this implies an increase over last year. The percentage is approximately 20%. Nationally it is nearly 65%. If the cooperation requested in the above paragraph is made, we feel sure we can keep this to a minimum.

We wish to thank the Police Departments of our surrounding towns and the sheriffs Department along with the State Police for the splendid cooperation this past year.

## LIBRARIAN'S REPORT - 1970

We have had a good year in increased circulation and progress on cataloging. We hope to see more people using our facilities. Miss Bosworth helped me again in the winter months with the cataloging.

The outside of the library was painted and looks good. The Bookmobile came four times and we borrowed a total of 1,284 books. I sent to Concord for special books not in our library.

A total of 6,703 books were circulated, 124 records, and 106 magazines. A total of 450 new volumes were added to our collection. Miss Sturtevant and I attended six book selection meetings in area towns.

A change in hours was started June 1st for Wednesdays to run 2 p.m to 8 p.m. as an experiment. It will be continued for another year.

We were able to get the \$100 State Grant in aid restored to us for reference books.

Story hours were held for pre-school children by Miss Sturtevant and she wishes to thank the volunteer readers who helped her. We again held a summer reading program for grades 1-6 and 25 took part. We thank the Garden Club for fresh flowers for our Circulating Room during the summer and for four memorial books given to us.

The library Sewing Circle Woman's Club donated \$15 for books and gave us three memorial books. Other gift books were donated to us and we are grateful to these people.

Dr. Carleton Smith obtained the services of Worcester (Mass.) chapter of the S.P.E.S.C.S.A. without cost and Mrs. Smith headed the Committee to run the concert and \$1,300 was realized. A Committee of three ladies will choose books every two months for our use. In November a "Friends of the Library" group was formed.

A book selection meeting was held here for the first time on September 21st. This is for area librarians, and we hope to make it an annual event. On November 13th a party was given in honor of Mrs. J. Bruhns on the occasion of her retirement from Trustee after 18 years of faithful work. Gifts and flowers were presented her.

Mylar book jackets were given to us by the "Friends" and have been put on and will help to prolong the life of our books.

Columbia sent us a donation of 12 classical records to add to our collection.

I wish to thank the "friends" for their fine help on our behalf, and to Miss Sturtevant for her volunteer work in taking books to our shut-ins and for Story Hour.

s/Mamie W. Roche  
Librarian

FRIENDS OF THE FITZWILLIAM TOWN LIBRARY  
ANNUAL REPORTAs of  
December 31 , 1970

A new kind of community participation has been happening in Fitzwilliam this year. At the suggestion of the Library Trustees, a few townswomen sponsored a fund-raising event in the fall to provide books and special items not normally included in the Town Library budget. The successful concert by the Worcester Chapter of the Society for the Perservation and Encouragement of Barber Shop Quartet Singing in America aroused such enthusiasm that it was decided to set up a permanent Friends of the Library Group.

The original sponsoring group has been serving as an executive committee, and concert patrons are now charter members. Active or contributing membership is open to anyone who is interested in improving library service in Fitzwilliam. Responses are still being received to membership letters sent out just before Christmas, and they offered a wide variety of skills and interests that can be used to help our Librarian and Trustees.

As of December 31 , 1970 , the Friends of the Fitzwilliam Town Library has:

- \*Sponsored and presented a fund-raising concert.
- \*Set up a committee to assist the Librarian in selection and ordering of new books.
- \*Purchased 47 new books
- \*Provided plastic protective covers for all new books, including those purchased by the Town and other special funds.
- \*Assisted the Librarian in selecting books to be donated to the Hill, New Hampshire Library after its disastrous fire this fall.

Plans for the immediate future include purchase of more books and a typewriter for use in library business, an Open House Program and Children's Poster Contest in celebration of the Fitzwilliam Library Centennial, preparation and mailing to all Town residents a history of the library and centennial open house invitations, and a program of publicity, pictures and information in all area newspapers.

New programs and projects will be planned at the request of the Trustees and the Librarian, and suggestions will be welcomed. The Friends of the Fitzwilliam Town Library hope that, through their assistance, our townspeople will find that their library offers growing services and resources for education, entertainment and cultural enrichment.

EXECUTIVE COMMITTEE: Mrs. Carleton Smith, Chairman  
Mrs. Robert Bentzinger, Vice C'man  
Mrs. Robert Underwood, Secretary  
Miss Isabelle Bosworth, Treasurer  
Mrs. John Sweeney, Membership  
Mrs. Enoch Fuller, Publicity  
Mrs. Oscar Olsen, House  
Mrs. John Tyler, Program

## SUMMER RECREATION PROGRAM, SUMMER 1970

Children in grades 1-6 were offered a recreation program for eight weeks at the Emerson school yard during the summer of 1970. The average daily attendance was 25 while there were approximately 77 children registered. The children met afternoons five days a week with Mr. Eugene Beauregard, director, and Miss Phyllis Hofmeister, playground assistant.

Activities offered each week were ball games, table tennis, softball, archery, tennis, table games, badminton, croquet, and arts and crafts. Social events included bike riding, hiking, softball competition, a Mt. Monadnock climb, a trip to Benson's Animal Farm, and two family nights.

Equipment and supplies were purchased with funds from the town appropriation and from a grant from the Spaulding Potter Trust Fund. Donations from organizations and individuals were used to buy two table tennis sets and an archery target. The bus trip to Benson's was paid for by another organization.

A number of people donated time and talent to the program. Tennis instruction was generously offered by a resident at her own courts and other people went to the playground to read, bike ride, and to lead arts and crafts activities.

The program was felt by many to be a success and an asset to the activities of the town. As with any other "beginning" there are improvements to be made. The heat of the summer afternoon created problems and caused afternoon activities to be cancelled much too often. Possibly morning hours could help solve this. A major concern to be considered next year is the difficulty of getting youngsters to the school. Some method of transportation is needed.

The aim of the program is to make the best possible recreational activities available to the largest possible number of children. This past experience will help improve the program and accomplish this aim.

Mrs. Lois Green, Chairman  
Summer Recreation Program 1970

SUMMER RECREATION PROGRAM

bus to transport children to Benson's Animal Farm by the  
Women's Auxiliary of the Fitzwilliam Fire Department

## FITZWILLIAM HISTORIC DISTRICT COMMISSION

The Fitzwilliam Historic District was established by a vote of the Town at the Annual Meeting March 1970. Members of the newly-established Historic District met on April 21, 1970 and voted on the rules and regulations to govern the District that would preserve the architectural beauty of the District, conserve property values and strengthen the local economy.

Originally the Historic Commission had the responsibility of forming a Historic District, however, the state law does not restrict the number of Historic Districts that may be established in a town. The Commission has now received a petition to extend the present District and an article for this extension appears in the annual town warrant.

Since the District was formed, only one application for new construction has been received and this permit was granted.

Permits for new construction or alterations are available from members of the Historic Commission.

G. Warren Spicer, Chairman  
Fitzwilliam Historic Commission

PLANNING BOARD REPORT

The Planning Board held its regular meetings once a month during last year, and in addition, held several special meetings. The Board now meets the second Monday of the month in the Selectmen's office in the Town Hall at 7:30 p.m.

It was with regret that through resignations, the Board lost three very active members during the year. They were Mr. Daley Whipple, Mr. Francis Fisk, and General Julian Brown. Few people realized how much time these men devoted in an effort to make our Town a better place in which to live. To fill the vacancies, the Selectmen have appointed three new members to the Board. They are, Mr. Robert Anderson, Mr. Robert Harkins, and Mr. James Kennedy.

The Town's sub-division regulations passed and adopted last year have been effectively implemented. There have been several sub-division applications approved, one denied, and three currently pending the March Board meeting.

Since the Planning Board's conception progress has been painfully slow. There are many critical issues which have recently been brought into focus, not only in Fitzwilliam, but nationally. It should be obvious by now that our problems will not be solved by the "State" or the "Government." Fitzwilliam is now bounded on all sides by towns who have realized the necessity to actively implement guide lines for planned growth and the preservation of their natural resources. Hopefully, in the next few years, Fitzwilliam will recognize further the need for additional guide lines in order to compensate for the acknowledged projected growth of Southern New Hampshire.

The Board expresses its thanks to those people who have assisted them in the past year.

Respectfully submitted,

Dudley P. Housman, Chairman  
Fitzwilliam Planning Board
